Editor Note

I'm really excited about 2020!

When I first started RHK Productions in 2009, I had no idea we would accomplish so much. We've had 5 magazine titles under our umbrella of publications and have released over 300 issues. We have featured over 1,000 of the world's top models, thanks to our dedicated staff and world-class photographers. We are becoming more involved with musical artists and other entertainers and we have no plans on slowing down. I would like to personally thank everyone who has supported RHK ... it hasn't always been easy, but the journey has been a wonderful experience. I hope this year is one of our best yet!

As always, my goal is to make RHK Productions the BEST. If there is anything we can improve, please let us know by contacting us at submit@rhkempire.com.

Have a wonderful 2020!

Best regards,
Alexander Deal, CEO

I am a bodybuilder/
powerlifter trying to
get into modeling,
not only for fitness
aspects but also to
show how a
muscular physique
can be beautiful,
feminine and very
sexy.

What is my sexiest feature?

I would like
to say my
arms; but I
think a lot
of people
like my butt.

A man with a beard and sunglasses, wearing a white long-sleeved shirt, is sitting in the driver's seat of a car. He is looking down at something in his hands. The car's interior is visible, including the leather seats and the dashboard. The text "What does your car say about you?" is overlaid on the bottom left of the image.

What does your **car** say
about you?

I was born and raised in Southern California.

I'm currently stationed here in Jacksonville, NC. I started modeling in January 2018. My favorite type of genre in modeling is boudoir. I also enjoy taking up acting classes for film. Both modeling and acting have always been a passion of mine.

When I'm not modeling, I'm either at the gym or at home being a part-time mom to my 3 kids. I love to be in the kitchen baking and cooking for my kids and husband. I love hosting parties as well.

My sexiest
feature is
my eyes!
